

CUMULATIVE WEB INC · SYNC & LICENSING

One-Stop Sync. Pre-Cleared Catalog.

24-track alternative rap catalog · master + publishing · one signature

Cumulative Web Inc (CWI), led by Henry Pitts (Black Lansky), licenses its 24-track alternative rap catalog by That Boy Hi Hat for sync. Every track is **100% pre-cleared, one-stop** — master and publishing through a single contact.

WHY LICENSE WITH CWI

- **100% pre-cleared.** Rights verified in-house — what you hear is what you can license.
- **One-stop.** One agreement, one signature for master and publishing.
- **Managed catalog.** All 24 tracks under one roof at CWI.

“New Rap Hits” holds: #21 “Shaka Zulu”, #30 “Zooted Zone”, #31 “Doves & Diamonds”.

WHAT LICENSING COVERS

Film, TV, advertising, video games, trailers, streaming, and digital/social — master and publishing together, one stop.

HOW IT WORKS

Inquire → Quote → License → Deliver. One contact from first email to final master.
